

A SOLUTION TO SHORT TERM VEHICLE LEASING

**FROM \$41
PER DAY
INC GST!**

Mini Lease vehicles are ideal for:

- **Short-term projects or contracts**
- **New employees during their probation period**
- **Overseas visitors**
- **Interstate visitors**
- **Vehicles off road due to accident damage**
- **New vehicle delivery delays**

Summit Fleet Leasing and Management can offer you a fully maintained vehicle at extremely competitive prices, for a period of 5 days to 6 months.

Mini Lease vehicles can be provided to any company with a fleet having five or more motor vehicles. You do not need to have other vehicles on lease with Summit to take advantage of this facility.

4 Cylinder vehicle From \$41.00 per day or \$1051.00 per month

6 Cylinder vehicle From \$44.00 per day or \$1128.00 per month

Rates are inclusive of GST

Please note: Fuel and Insurance are additional.

These vehicles typically range from 12 to 24 months old, having travelled between 25,000 and 40,000kms. They are fully maintained and in excellent mechanical and physical condition.

(Subject to approval and Master Lease Agreement)
